## ADVERB

### SIMPLE ADVERB:

# Adverbs that add to the meaning of a verb in a simple manner. They tell time, place, manner, frequency or degree of action negation and affirmation. They are further divided into six parts.

Example:

1. Twice the boy struck him.
2. He will return soon.
3. Wasted time never returns.
4. The little lamb followed Tina everywhere.
5. Speak gently to others.
